Dear Students,

Welcome to Portland Bible College! As Chancellor, it is my joy to greet you at the beginning of this new academic year. You are joining a college that is not just an institution but a living, breathing part of a local church. PBC was born out of Mannahouse and continues to exist for one purpose: to train leaders in the church, by the church, and for the church—leaders who will take their place in God’s mission both locally and around the world. When you step onto this campus, you also step into the life of our church family. You have a seat at the table, a place to belong, and a community where you will be shaped for the future God has designed for you.

Here at PBC, formation is not one-dimensional. Academic rigor will stretch your mind, discipleship-centered housing will shape your character, and hands-on service in the church will sharpen your skills. This is the unique interplay of head, heart, and hand. Our prayer is that in the classroom, in community, and in ministry you will encounter Jesus in ways that challenge you to grow, to change, and to live out your faith with clarity and conviction. You are not here by accident—God has appointed this season as part of His unfolding story in your life.

Every one of you is made to move. God has wired you to step forward, to advance, to carry His Kingdom into the world in tangible ways. At Portland Bible College, you will discover who you are in Christ and how your gifts can serve His mission. Together with Mannahouse, we are advancing the Jesus movement in our generation. My prayer is that this year you will lean in fully, find your place at His table, and allow Him to prepare you for a lifetime of impact.

With great anticipation,

Derrill Corbin

Chancellor, Portland Bible College

Senior Pastor, Mannahouse

Our History

Portland Bible College is located in the scenic Pacific Northwest in the beautiful city of Portland, Oregon. The college is on a secluded hillside overlooking majestic mountains, the Columbia River and the city of Portland.

The college is an educational ministry of Mannahouse. Students are connected to excellent biblical teaching and worship, where they experience personal growth, and have opportunities for Christian service.

In the fall of 1967 twelve young adults stood in Pastor Dick Iverson's office asking that he not send them away to other schools to be trained. The Lord had touched their lives dramatically in the church and they believed that ministry preparation and training would best be accomplished in the church. Thus, Portland Bible College began its long and successful journey with a handful of students, men, and women who understood that seasoned church leaders administer the best church leadership training.

In the beginning, Pastor Iverson was concerned that he may be incapable of engineering such an important vision. Still, he realized the critical relationship between the church's call and the duty of raising up leaders. The careful and prayerful decision to begin the college was confirmed by a prophetic word. The church responded enthusiastically as all agreed the rewards would outweigh any financial sacrifice made.

One of the great tributes to the vision is the way the school has touched the nations. Since the late 1960s scores of international students, along with many from the US and Canada, have worshiped and studied at PBC. Currently, international students make up to 20% of the total student population. Australia, Brazil, Canada, Chile, Indonesia, Japan, Korea, Mexico and Peru are just some of the nations represented at Portland Bible College. The cultural diversity, alone, is one of the unique educational features of the college. Our online program also reaches people around the world.

We extend our deep appreciation to the pioneers of this institution and give thanks to God for His great faithfulness. People like Robert Stricker Sr., David Blomgren, Kevin Conner, and Pastor Dick Iverson are to be commended for giving their energy and strength to the establishment of Portland Bible College. It is clear that PBC has a distinguished past, a challenging present, and an exciting future. The need for future world leaders remains the hope of the church and the world. We are determined to honor our heritage of the past and accept our responsibility to the future.

Our Distinctives

Our Local Church Context

PBC is a ministry of Mannahouse. Providing ministry preparation and development within the context of the local church is core to our philosophy. The church is critical to keeping the college contemporary with its curriculum, ensuring that what is being taught is applicable to the needs of the church today. We believe that preparation within the church allows the student to receive instruction from effective leaders, as well as provide “hands-on” ministry opportunities in Christian service.

Our Spiritual Atmosphere

One of our most noted distinctive is the spiritual atmosphere at PBC. For decades students have acknowledged the wonderful environment that fosters a deeper relationship with God. Prayer in each class, Spirit-led worship in chapels, a prayer center devoted to intercessory prayer, and personal devotional times are just a few of the activities that work with the curriculum to build the student’s relationship with the Lord. It is often within this atmosphere that the student discovers or confirms their future life direction.

Our Community

At PBC, students bond together in a unique way, creating a sense of community within a family atmosphere. Honor and respect are two banner words that are fostered through the campus life and lay the foundation for unity. Visitors often remark about how amazed they are at the family community that they experience on campus.

Our Theology

PBC is Pentecostal and Charismatic in its theological orientation. In addition, significant focus is placed on the function and restoration of the local church. As a result, programs provide a Biblical and theological foundation on which students can build their lives and ministries. In short, PBC offers an academic and pragmatic approach with the ultimate goal of seeing the church realize its full potential. Our vision is to ground future leaders with a sound theological basis and contemporary spirit-filled life experience.

Our Mentoring Approach to Education

PBC believes that the educational experience must extend outside the classroom to include mentoring. Using this approach gives occasion for a unique mentoring relationship between faculty/staff and students, which provides an opportunity for the personal development of the student. Through the mentoring relationship, students can receive personal and specific mentoring for their spiritual and ministerial development. Most graduates state that what has benefited them the most was their close relationships with the faculty and staff.

Our Local, National and International Student Body

PBC has one of the largest international and national student ratios in the state. Students from over 40 nations have attended PBC. This affords each student an opportunity to interact and minister to a broad spectrum of people. Our nation, like others, is becoming more and more ethnically diverse. As a result, we need future Christian leaders that are able to minister to a community that is culturally diverse. PBC offers the student the chance to learn and minister with future international Christian leaders.

Our Academics

Though not the only focus of the college, PBC's academics are rigorous and challenging. PBC students that transfer to other colleges and universities perform admirably and those graduates who go on to post-graduate work find they are well prepared to pursue advanced degrees.

Our Financial Distinctive

PBC desires its students to graduate with their education paid in full. The college's class schedule and fee schedule have been arranged to allow students to work their way through school. Most students are able to find a good part-time job in the Portland area and the city bus line runs within one block of campus. Mannahouse also underwrites PBC every year and this in turn helps PBC offer some of the lowest tuition rates in the Pacific Northwest. In a sense, every student enters PBC with a partial scholarship.

Statement of Faith

1. We believe in the plenary-verbal inspiration of the accepted canon of the Bible as originally given and that they are infallibly and uniquely authoritative and free from error of any sort in all matters with which they deal (*I Corinthians 2:13; II Timothy 3:16*).
2. We believe in the Eternal Godhead who has revealed Himself as ONE God existing in THREE persons: Father, Son and Holy Spirit; distinguishable but indivisible (*Matthew 28:19; II Corinthians 13:14*).
3. We believe in the literal, special creation of the existing space-time universe and all of its basic systems as indicated in Genesis (*Genesis 1; Nehemiah 9:6; Isaiah 42:5; John 1:3; Colossians 1:16-17*).
4. We believe in the creation, test and fall of mankind as recorded in Genesis; his total spiritual depravity and inability to attain to divine righteousness (*Romans 5:12,18*).
5. We believe that sin is a transgressing of, or falling short of, God's standard in action, thought, and character. All individuals are born with a sin nature that affects their motivation, affection, volition, and actions. The results of sin include separation from God, and death (*Romans 3:10,23; 6:23; 14:23; James 4:17; I John 5:17*).
6. We believe in the Lord Jesus Christ, the Savior of mankind, conceived of the Holy Spirit, born of the Virgin Mary, fully God and fully man (*Isaiah 7:14; 9:6; Matthew 1:21; Luke 1:26-35; John 1:18*).
7. We believe Christ died for our sins, was buried and rose again the third day, and personally appeared to His disciples (*Romans 4:25; I Corinthians 15:1-8*).
8. We believe in the bodily ascension of Jesus to heaven, His exaltation and personal, literal and bodily coming again the second time for His Church (*Matthew 24; Mark 16:19; John 14:2-3; Acts 1:9-11; Philippians 2:5-11; I Thessalonians 4:13-18; Hebrews 9:28*).
9. We believe in the salvation of sinners by grace, through repentance and faith in the perfect and sufficient work of the cross of Calvary, by which we obtain remission of sins (*Romans 5:11; Ephesians 2:8-9; Hebrews 9:12,22*).
10. We believe in the necessity of water baptism by immersion in the name of the Eternal Godhead in order to fulfill the command of Christ (*Matthew 28:19; Acts 2:38,39; 19:1-6*).
11. We believe in the baptism of the Holy Spirit as a distinct aspect of the Christian foundational experience with the primary evidence of speaking in tongues as well as evidence such as empowerment to witness, to conquer sin and to live a holy life (*Acts 2:1-4; 8:14-17; 19:6*).
12. We believe in the Spirit-filled life, a life of separation from the world and the perfecting of holiness in the fear of God as an expression of Christian faith (*II Corinthians 6:14; 7:1; Galatians 5:16-26; Ephesians 5:18*).
13. We believe that since the Bible is the inspired Word of God, it is then authoritative in all areas of human behavior, including marriage, family, sexuality, morality and ethics (*Psalms 119:11,105; 2 Timothy 3:16,17; Hebrews 5:12-14*). This belief provides the basis for the following:
 - (a) We believe that God offers redemption, restoration and transformation to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (*Acts 3:19-21; Romans 10:9-10; I Corinthians 6:9-11*)
 - (b) We believe that humanity as a whole is united in origin, in the fall, and in the provision of the atonement through Christ, making every person equally worthy of love and forgiveness; as well as just and unbiased treatment. (*John 3:16; Acts 10:34; 17:26; Romans 5:6-21; Colossians 3:8-16*)
 - (c) We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (*Mark 12:28-31; Luke 6:31*). Hatred and harassing behavior or attitudes directed toward any person(s) are to be repudiated and are not in accord with the Bible nor the doctrines of the Church.

- (d) We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (*Genesis 1:26-27*). Rejection of one's biological gender at birth is a rejection of the image of God within that person.
- (e) We believe that the Bible defines marriage as the covenant relationship between a man and a woman in an exclusive union. The importance of this union to society requires that we support and protect marriage as the Word of God does. (*Genesis 2:18-25; Malachi 2:14-16; Matthew 19:4-6*).
- (f) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other as a means of celebrating and expressing their exclusive covenant. We believe that God has commanded that no sexual activity be engaged in outside of this union as it is sinful and harmful. (*Proverbs 6:32; Matthew 15:18-20; I Corinthians 6:9-10; I Corinthians 6:18; 7:2-5; Hebrews 13:4*)
- 14. We believe in the operation of the gifts of the Spirit as manifested in the early church and enumerated in I Corinthians 12-14 (*Romans 12:6-8; Ephesians 4:8-12*).
- 15. We believe in the healing of the body by divine power, or divine healing in its varied aspects, as practiced in the early church (*Acts 4:30; Romans 8:11; I Corinthians 12:9; James 5:14*).
- 16. We believe in the Table of the Lord, commonly called Communion or the Lord's Supper, for believers (*I Corinthians 11:23-32*).
- 17. We believe in eternal life for believers (*John 3:16; 5:24*) and eternal punishment for unbelievers (*Mark 9:43-48; II Thessalonians 1:9; Revelation 20:10-15*).
- 18. We believe in the reality and personality of Satan and eternal judgment of Satan and his angels (*Matthew 25:41; Revelation 20:10-15*).
- 19. We believe that God's eternal purpose involves all races and nations, culminating in every nation, tribe and tongue being represented before His throne. (*Matthew 28:19; Ephesians 2:14-18; 2 Corinthians 5:16-21; Revelation 5:9; 7:9*)

IN ADDITION TO THESE BASIC FUNDAMENTALS, WE ALSO HOLD THAT:

- 1. The Church of Jesus Christ is the last instrument that God is using to extend His kingdom prior to the second coming of Christ (*Matthew 16:18; Ephesians 1:20-23; 3:10*).
- 2. The local church is autonomous, that is, it is self-governing, self-supporting and self-propagating in its mature state (*Acts 2; 13:1-4*).
- 3. The Biblical form of church government is a plurality of Elders with a Senior Pastor who all qualify on the basis of 1Timothy 3 in spiritual life, character, domestic life and ruling ability.
- 4. Every believer in Christ must be subject to God's authority in a specific local church for spiritual protection and long-term fruitfulness (*Hebrews 13:17*).
- 5. The theological framework for understanding all of God's dealings with mankind is to be found in the divine covenants revealed in Scripture. (*Romans 9:4-5; Galatians 3-4; Ephesians 1:9-14; 3:11 Hebrews 8; 13:20*)
- 6. We believe in the public gathering of the Church together for prayer, worship, teaching and preaching of the Bible and the administering of the sacraments of the church (*Acts 2; I Corinthians 11; Hebrews 10:25*).

Application Procedures

The application procedure is as follows:

For Domestic Students

1. The application process is completed online on our website by submitting an application request at <https://www.portlandbiblecollege.org/admissions/>. Once the initial application request page has been filled out along with the \$40 non-refundable application fee the applicant then receives an email from Populi with a link to continue with their application. With the online admission application there are three different reference forms required: personal, parental, and pastoral reference. The application provides a section where the applicant must enter an email address to the person they have selected as their reference. The person completing the reference will receive an email with a link to the online reference form. The applicant will need to upload a headshot photo of himself/herself to the online application profile. Lastly, the applicant will need to request official transcripts from any previous school(s) to be sent to Portland Bible College with attention to the Admissions Office. A transcript is not considered official unless it arrives in a sealed envelope from the previous school(s) Registrar's Office.
2. All of these application components must be received by the Admissions Office at least one month prior to the beginning of the semester. Applications received after this time will be reviewed and admittance granted on the basis of space.
3. Applications are reviewed only after all items have been received and deemed complete. Upon approval, the applicant will receive an email along with a letter of acceptance. Populi will also send an email to set up a username and password to access their student account.

For International Students

1. The application process is completed online on our website by submitting an application request at www.portlandbiblecollege.org/admissions. Once the initial application request page has been filled out along with the \$40 non-refundable application fee, the applicant then receives an email from Populi with a link to continue with their application. With the online admission application there are three different reference forms required: personal, parental, and pastoral reference. The application provides a section where the applicant must enter an email address to the person they have selected as their reference. The person completing the reference will receive an email with a link to the online reference form. Other components needed from an International Applicant are a statement of financial guarantee, a TOEFL score, and a picture. The applicant will need to upload a headshot photo of himself/herself to the online application profile. Lastly, the applicant will need to request official transcripts from any previous school(s) to be sent to Portland Bible College with attention to the Admissions Office. A transcript is not considered official unless it arrives in a sealed envelope from the previous school(s) Registrar's Office.
2. A non-native speaker of English will be required to provide proof of English fluency (see page 11,12).
3. Provide an Affidavit of Support to substantiate ability to cover the finances needed for their stay in the U.S. The United States Citizenship and Immigration Services require students to demonstrate the financial ability for one year of school and living expenses.
4. If high school or college transcripts are not in English, the original must be sent accompanied by an official English translation. Also, if your school only issues one original transcript to you, please

do not submit it to PBC. All official documents submitted to PBC become the property of PBC. You will need to send a photocopy of the original document to be attested by the issuing institution. The institution will then validate the transcript or degree certificate. The document must then be sealed in an institutional envelope and given to you or sent directly to PBC. We must receive the transcript in the official sealed envelope.

5. Applications must be received at least three months prior to the beginning of the semester you wish to enroll in to allow for the time it takes to apply for a visa if you are accepted.
6. Once the completed application is received, it will be reviewed by the Academic Dean's Office. Upon approval, the applicant will receive an email along with a letter of acceptance. Populi will also send an email to set up a username and password to access their student account.

International Students

The college is authorized under Federal Law to enroll non-immigrant alien students.

Student Visa

Each international student will be sent a Certificate of Eligibility (SEVIS Form I-20) at the time of acceptance to Portland Bible College. Upon receiving it, they will need to sign the SEVIS Form I-20. All accepted students must fill out the I-901 Form and send it along with a \$350 fee to the United States Citizenship and Immigration Services (USCIS, formerly INS). Immigrations will then send a receipt, I-797 Form, back to the student. Please note that you must have the I-20 in order to fill out the I-901 information.

Once the student (other than Canadian citizens) receives the receipt, they should take it along with the SEVIS Form I-20 to the nearest American consulate to obtain an F-1 Student Visa. For complete information on procuring a Visa, consult the nearest American Embassy, or visit <http://www.ice.gov>

Canadian students should present their passport, the signed I-20 Form, along with the I-797 Form, and financial documents to the U.S. Immigration Officer at the border when entering the U.S. The Officer will issue an I-94 Admission Card.

Non-Native Speakers of English

All applicants who do not speak English as their first language will be required to take an English Proficiency Test (the International Standardized TOEFL – Test of English as a Foreign Language). The test includes oral comprehension and knowledge of grammar and vocabulary. In order for the test to be valid, the TWE (Test of Written English) must be included in the scoring of the TOEFL. The test and/or results must be sent directly to the college. When you go in to take a TOEFL exam, please enter the school code number 8631 on your answer sheet. If you need to send a score for a test that was previously taken, please enter the code on the Score Report Request Form. In order to be valid, a student must have taken the TOEFL test within the last six months. We also accept an IELTS band score of 6.5 or Duolingo score of 105. The official test result document must be sent directly to Portland Bible College during the application process.

English Proficiency Entrance Requirements

The required entrance level is 80 Internet Based TOEFL (iBT), IELTS band score of 6.5 or Duolingo score of 105. If a student scores at the minimum or higher, they will be allowed to enter the program of their choice, but will be required to take between two and four credit hours of ELL classes in addition to the academic classes. The required minimum TOEFL score of 80 overall must have a minimum sub score of 20 in reading and in writing. A score above 89 iBT and equivalent scores in IELTS or Duolingo, and a satisfactory assessment from our English department may require up to 2 credits of ELL support credits. There will be an additional fee of \$80 per credit for these classes.

On-Campus Work Study Program

Each year there are a limited number of part-time work opportunities available on campus. According to United States Immigration Laws, International Students may be employed on-campus up to 20 hours a week while school is in session. While this will help cover some of the cost of living, it will not be sufficient alone to pay for all the school and living expenses. Please note that a spouse or child of a full-time student is not allowed to work at all.

Since it will not be possible for a student to pay for school and living expenses with just the On-Campus Work Study Program, International Students should arrange for a sponsor to help them financially each month with approximately \$500. If you are not expecting to have on-going support from a sponsor, you must come prepared to pay 100% of the first year's costs (approximately \$13,000). Campus employment could potentially help the student to save for a portion of the following year's down payments (see financial information on page 13-15). The remaining balance would then be due in monthly payments. A limited number of full or part time work positions may be available while school is not in session to allow the student to save for the next semester as well. However, a full 40 hour schedule is not guaranteed on breaks. See the Registrar for more details and assistance.

Expenses for a married couple living off campus are considerably higher, and it may be necessary to have additional personal funds or sponsors. A detailed financial information packet is available upon request.

To apply for the Work-Study Program, you must be accepted into Portland Bible College. You can then request to apply and PBC will then send a link to the online application. Applications are accepted starting one month before the semester begins.

Financial Information

In an attempt to make Bible training available to all, we have made every effort to keep our costs accessible. We are able to offer this financial schedule because the members of Mannahouse, have a vision for training leaders and are willing to make investments in their future.

Financing

PBC desires its students to graduate 100% debt-free. Both the class and payment schedules of the college have been arranged to allow students to work their way through school. Most students are able to find a good part-time job in the Portland area, and the city bus line runs within one block of campus making transportation to work easily accessible.

The cost per semester is specifically determined at registration. However, a good estimate for a full-time on-campus student is about \$6,100 - \$6,700. The cost for music students tend to be a little higher due to private music lessons. The cost for a full-time off-campus student is about \$3,600 - \$3,800.

PBC is happy to finance a student's education at 0% interest. To take advantage of this financing opportunity, the student will be required to electronically sign a financial contract during enrollment. Stipulations in the contract include, but are not limited to, completing the payment plan as scheduled in order to avoid being sent to a collections agency or being reported to the credit bureaus. Co-signers will be required for underage students and those requiring further assistance.

Payment Plans

PBC offers an interest-free payment plan to all students consisting of a down payment and subsequent monthly payments. The down payments for each student enrollment type are as follows:

Fall Semester Down Payment	Spring Semester Down Payment
Full-time, On-campus: \$3,000	Full-time, On-campus: \$2,000.00
Full-time, Off-campus: \$1,300	Full-time, Off-campus: \$850.00
Part-time: 50%	Part-time: 33%
Online: 4 Equal Monthly Payments	Online: 4 Equal Monthly Payments

After a down payment is made, the remaining balance is then divided equally between four months in the fall or five months in the spring.

Financial statements are available through Populi and payments are due on the 20th of each month for the Portland Campus Students and on the 1st of the month for Online Campus Students.

Payments can be made by cash, check, money order, or online with a debit/credit card or PayPal. A 3% convenience fee will be separately invoiced to the student for paying online with a debit or credit card, which covers the cost that the credit card company or bank charges us for processing such payments.

Populi has the ability to forward statements for online payments to third parties (parents, organizations) that will pay on behalf of the student. However, if a third party requires us to discuss information regarding a student's account, the Finance Office will only do so if the third party has access to the student's online record. For instance, if your parent wants to review your financial record with us, you will need to sign a Release of Information and provide them with your username and password in

order for us to freely speak with them regarding the matter.

A late fee will be incurred if a payment cannot be made within five days after the due date for any reason. If payment is not made within 30 days, the student may be forced to withdraw from school as agreed upon in the Term Enrollment Agreement.

Both the fall and spring Online Campus payments are made in four equal monthly payments, due on the 1st of the month - September through December in the fall and February through May in the spring.

Online Campus summer payments are divided into two equal monthly payments due on June 1st and July 1st.

Students taking in-person classes On-Campus, as well as Online Campus classes, will have multiple invoices; one set for their in-person classes and one set for their online classes. Each campus will have different due dates and monthly payments. Care should be given to make sure that correct payments are made separately to each invoice.

PBC's preferred form of payment is through your bank's online bill pay. Most banks provide a way to pay bills online through their online banking portals. You simply set PBC up as one of your "bills" by providing the information below, and click to send us a payment. Your bank will print out a physical check and mail it to us on your behalf. This allows you to have confirmation that you sent the payment, and the whole process is completed online, usually free of charge (check with your bank for details). Here is what you will need to set us up as a payee:

Portland Bible College

If you prefer to pay in cash, there are cash envelopes available for you in the administration building. There you can fill one out and deposit the money in the safe box. Payments received in the safe box are processed by a limited number of staff members and are emptied regularly. Students are encouraged to check Populi often to verify that the payment was processed. Please contact the Finance Office after you have checked your Populi account if you need further clarification.

Financial Aid

Government Aid in the form of scholarships, grants, or loans, such as the Basic Educational Opportunity Grant, is not available through PBC. However, in underwriting the cost of the school, Mannahouse, in effect gives every student a scholarship. Private scholarships that do not require PBC to participate in FAFSA are accepted by the school.

Scholarships and Grants

Tuition scholarships based on the availability of funds may be awarded to students who have an outstanding record and can demonstrate financial hardship. You may see the website for more information on available scholarships and grants.

Additional Financial Considerations

Dining Facility

The PBC Cafeteria serves two meals per day, seven days a week. However, the dining facility is closed for student meals during the winter and summer breaks as well as holidays. Students may continue to live in the dormitories during breaks at a nominal monthly charge.

Refunds

Students finding it necessary to withdraw from school will receive an adjustment in charges paid. However, no fees will be refunded. Those withdrawing will be refunded 80% of the total tuition to the end of the second week; 60% to the end of the fourth week; 40% to the end of the sixth week; 20% to the end of the eighth week. No tuition refunds will be made after the eighth week of the semester. This refund policy will also apply to the tuition paid for private music lessons (per credit charge). Refunds for the lesson fees will be handled according to the Private Lesson Policies.

Veteran Refund Policy

PBC's veterans refund policy complies with CFR 21.4255. According to this policy, in the event the veteran or eligible person fails to enter the course, withdraws, or is dismissed at any time prior to completion, any unused portion of tuition, fees, and other charges is refunded. This policy provides that any amount in excess of \$10 of the application (registration) fee is subject to proration. This policy also provides that the amount charged to the veteran or eligible person for tuition, fees, and other charges for a portion of the course will not exceed the exact pro-rata portion of the total charges for tuition, fees, and other charges; that the length of the completed portion of the course is prorated over its total length; and that the exact proration is determined by the ratio of the number of days of instruction completed by the student to the total number of instructional days in the course. Refunds are made within forty (40) days of the last date of the student's attendance.

Academic Requirements

Entrance Requirements

Students at PBC are expected to be high school graduates, or to have successfully completed the High School Equivalency Exam (G.E.D.) before being allowed to enroll.

Each application is carefully reviewed by the Academic Dean. Evidence of the salvation experience of the student in the written testimony accompanying the application is essential. The evidence of a Christian life which is consistent with high Christian standards must be witnessed by the references named by the applicant on the application form. Pastoral and parental approvals are also deemed essential. Married students and students beyond the typical college age do not need a parental reference.

Credit by Examination

It is possible for students to receive credit for certain courses by simply passing an examination at the beginning of the semester. If this examination is passed, the student will not need to attend that course and will be free to enroll in another course. In that, this is not a waiver test, but is actually for academic credit. The fee for the test will be one-half the normal charge for the course and will not be refunded if the student fails the test. The passing grade must be 86% or above. The courses available for this program are: Mu 121 Intro to Music, Mu 122 Music Fundamentals, Mu 162 Intro to Recording, and Pt 104 Intro to Bible Study.

Our Academic Standing

For over 50 years, PBC has striven to provide the finest personal and ministerial training possible. We have consistently held to a set of common core values that shape our educational objectives and commit us to continually raise the academic and developmental bar. As a result, we offer to the student the benefit of receiving a degree, transferability of credits to other educational institutions, and VA educational benefits.

Educational Objectives

1. **To give** thorough and systematic instruction in the Word of God in order that each student will possess a comprehensive knowledge of the Bible and theology.
2. **To nurture** the spiritual life and character of each student, within the context of community life and Christian discipline.
3. **To assist** the personal development of each student through scriptural exposition, mentoring, and integration into local church life.
4. **To help** each student develop and apply a sound biblical and theological worldview, in order to understand and influence society.
5. **To cultivate** the gifts, talents, and ministry potential of each student within the context of the local church in preparation for future ministry.

Degree Granting Status

PBC has been granted exempt status by the State of Oregon to offer theological and church ministry degrees at the associate and baccalaureate level. Currently, the school offers Associate Degrees in four programs: Christian Humanities, Theology, Church Music, and Church Leadership Studies. Two programs lead to a Bachelor Degree in Theology or Church Music.

The Washington Student Achievement Council has determined that Portland Bible College qualifies for religious exempt status from the Degree-Granting Institutions Act for the following program: Associate of Theology (A.Th.). The Council makes no evaluation of the administration, faculty, business practices, financial condition or quality of the offerings by this institution. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the Council at P.O. Box 43430, Olympia, WA 98504-3430 or by email at degreeauthorization@wsac.wa.gov.

Transferability of Credits

The college continues to establish a growing number of formal transfer agreements with fully accredited colleges and universities so that students pursuing educational and career objectives beyond PBC will have the advantage of their credits being transferable. In addition, several graduate schools are currently accepting our Bachelor Degree toward post-graduate study. Students desiring to transfer their PBC credits to other institutions are responsible for determining the requirements of the institution and program to which they plan to transfer.

Transfer Policy

PBC will accept transfer credits for courses within the general boundaries of its programs. The course must be directly related to a specific class in our curriculum or compatible with the general subject matter of PBC programs. The following guidelines will serve to amplify this:

1. Transfer credits will be granted only when the Registrar's Office receives an official transcript from the other school. Unofficial transcripts will not be accepted.
2. Credits may be transferred from other institutions on a course-by-course basis.
3. PBC will accept up to 50% of transfer credits toward a degree. 32/64 credits must be completed at PBC to receive a PBC Associate's Degree and 64/128 credits must be completed at PBC to receive a PBC Bachelor's Degree.
4. PBC will accept credit for courses in which a student obtained a "C-" or better grade. Appeals will only be accepted from International Students, whose grading systems differ from the United States.
5. PBC operates on a semester-hour system. Courses transferred in from schools that operate on a quarter-hour system will be transposed to semester hours using a 3/2 ratio.
6. PBC will only accept courses that are above a 100 level (courses designated ENG 90, MAT 95, etc. will not be transfer in).
7. PBC will not accept AP course credit (credit usually granted by high schools).

8. When evaluating transcripts for the transferability of course credit, PBC will first consider courses from the student's previous transcripts to fulfill PBC degree requirements. Once transcripts have been assessed for fulfilling degree requirements, remaining courses will be evaluated for fulfilling elective requirements in PBC degrees.
9. When transferring in courses to fulfill a PBC degree requirement:
 - a. If a PBC course is worth more credits than its transfer course then only the credits earned at the other institution will be granted. It would be the school's prerogative as to whether the student would be required to receive more instruction in that subject area.
 - b. If a PBC course is worth fewer credits than its corresponding course then only the amount of credits allowed by PBC for that subject area will be transferable.
10. When transferring in courses to fulfill a PBC degree elective, the total number of credits transferred in will be limited by the PBC maximum elective policy (see chart under "Transferability of Elective Courses").
11. If Practicum/Apprenticeship credit is given by a school for ministry experience and indicated on a transcript, PBC will accept credit for that transfer (within the limits of the policies listed above).

Courses transferred in will be indicated in Populi, student information system, in the student's degree audit. Students will receive notice by email when that information is available for them to view in their student record.

Veterans: Any student receiving Veterans Education Benefits while attending Portland Bible College is required to obtain transcripts from military training and all previously attended schools and submit them to the school for review of prior credit.

Veterans

Most PBC programs are approved for VA educational benefits. Veterans and eligible dependents should contact the Registrar so their enrollment can be certified to the VA. Online Courses and Extension Campus programs cannot be approved for VA educational benefits.

Prior Learning for Veterans: Any student receiving Veterans Education Benefits education benefits while attending Portland Bible College is required to obtain transcripts from military training and all previously attended schools and submit them to the school for review of prior credit.

In accordance with Title 38 US Code 3679 subsection (e), this school adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I.

Prevent the students' enrollment; Assess a late penalty fee to; Require student secure alternative or additional funding; Deny their access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students may be required to: Produce the Certificate of

Eligibility by the first day of class; Provide written request to be certified; Provide additional information needed to properly certify the enrollment as described in other institutional policies.

“GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <http://www.benefits.va.gov/gibill>.”

International Students

This school is authorized under Federal Law to enroll non-immigrant alien students.

Association and Accreditation

PBC serves under the leadership of the governing body of elders at Mannahouse. This unique relationship between the college and the local church has been the basis for its strength and effectiveness. Currently, the appropriate accrediting associations do not make sufficient provisions for local church-governed colleges. Thus, PBC has not been able to pursue accreditation. However, it is committed to instructional and academic excellence and thus enjoys many of the benefits of accredited colleges. PBC is endeavoring to maintain its commitment to its ecclesiastical standards while nurturing a growing academic reputation. As a ministry of Mannahouse, formerly City Bible Church, college faculty and administrators feel the school is uniquely equipped to train students for life-long service in the context of their local church community.

Online Courses – Credit

Many PBC courses are now available online. All of these courses can be taken for credit and function as sections of our live classes in a parallel fashion. Designed to duplicate the classroom experience, students listen to audio lectures that are combined with PowerPoint, take tests, turn in homework, and interact with other students and faculty in interactive forums.

Students will be able to complete an Associate in Theology along with a Bachelor in Theology degree entirely online. Courses are provided online for the same cost as live courses and are only offered in the same semester as their live counterpart, with the exception of a few courses during the summer. Please refer to the PBC website for more information and to request an online course prospectus.

Online Courses – Independent Study

Students can also audit online courses. Students can access all the teacher’s lectures and download student notes. This is different from the credit courses in that there are no tests, assignments, due dates, or interaction with the instructor or other students in the course. This is an independent study for which you cannot receive college credit; however, it is the perfect solution for individuals looking for self-guiding Bible Studies that will deepen wisdom and expand knowledge of the Bible. Please refer to the Portland Bible College website for more information.

Academic Honors	
Cum Laude	3.50-3.74
Magna Cum Laude	3.75-3.89
Summa Cum Laude	3.90-4.00

Grade Point Average

Grade	GPA
A+	4.00 grade point credits given
A	4.00 grade point credits given
A-	3.67 grade point credits given
B+	3.33 grade point credits given
B	3.00 grade point credits given
B-	2.67 grade point credits given
C+	2.33 grade point credits given
C	2.00 grade point credits given
C-	1.67 grade point credits given
D+	1.33 grade point credits given
D	1.00 grade point credits given
D-	0.67 grade point credits given
F	0.00 grade point credits given

A student must maintain a grade point average of 2.00 to progress to the status of Sophomore, Junior, or Senior. For earning a grade of A+ or A in a 3-credit course, the student will receive 12 credit points; for receiving a grade of C he will receive 6 credit points, etc.

Academic Probation

Students failing to maintain a GPA of 2.00 at PBC or their previous educational institution are placed on academic probation at the beginning of the following semester. The student will remain under academic probation for no longer than one semester or until such time as the Academic Dean deems that the quality of work meets the minimum GPA of 2.00.

At the end of the semester the Academic Dean will determine if the student should continue or be dismissed for unsatisfactory progress. If the student is allowed to continue, they will be expected to participate in an academic accountability program designated by the Academic Dean.

A \$150 fee will be charged for participation on this program. It will be necessary for that student to earn a semester GPA and an accumulative GPA of 2.00 to be taken off probation. Those receiving VA benefits must meet these requirements by the end of their probationary semester or the VA will be notified. After dismissal, a student may request readmission by writing a letter to the Academic Dean who will determine if the request should be granted.

Incompletes

If a faculty member determines that a student is likely to fail their course they may give that student time beyond the end of the semester to complete course work. This is providing they deem the student's reasons for not being able to complete the coursework to be justifiable. In such case an "Incomplete" (I) would be recorded. The faculty member has the sole discretion to make this determination and can initiate communicating this option to the student. The faculty member will decide on what work the student will need to complete during this extension period and will need to obtain the student's agreement to receive the incomplete as well as their commitment to fulfill its requirements. The faculty member is responsible to keep a record of communication between them. The assignment(s) agreed to be completed by the student need to be submitted no later than two weeks from the last day of the semester. Assignments cannot be received after that deadline no matter the reason.

Student Records

The student's academic file is handled in a confidential manner. Student records are made accessible to certain authorized state and federal personnel. Every effort is made to make records available to students within a reasonable amount of time.

Students will be given a secure login to access their educational records online. The records will be updated in a timely manner at the end of each semester.

If a student believes that a grade for an assignment or course was inappropriate, they should discuss the matter with the instructor. If a student believes the grade is inappropriate due to issues unrelated to the quality of the work, then they may appeal in writing to the Academic Dean. This appeal must be made in a timely manner; that is close to the time the student was notified of the grade in question. The Academic Dean may make the final decision or refer it to the faculty, particularly if the Academic Dean is the instructor involved. In this case the faculty's decision is final.

VA Status Requirements

Veterans and eligible dependents must contact the Registrar before the semester begins to certify their enrollment to the VA. Students who are receiving VA educational benefits are responsible to notify the Registrar immediately of any course or program changes before the Add/Drop date. They must also notify the Registrar if they have any changes to the chapter they would like to receive benefits from.

Classes

Each on-campus class session is 50 minutes in length. All required classes are concluded by noon each day (with the exception of some music classes), leaving the afternoon for student employment. Each semester consists of 16 weeks of instruction for on-campus students and 14 weeks for online students.

Class Attendance

Students are permitted unexcused absences equal to the number of hours the class meets each week. For example, a 3-hour class would permit the student 3 discretionary absences in one semester. Each absence above this limit will be considered unexcused (unless excused according to the student handbook procedure), and will deduct 4 percentage points from the student's final grade in the course. Three unexcused tardies will be equivalent to one unexcused absence. If at any time a student is absent more than one-third of the total class hours for that course, he/she will be automatically withdrawn from that course. A student must attend at least two-thirds of the number of class sessions or credit will not be allowed, regardless of the reason.

Procedures for Dropping Classes

Changes in course registration are to be made by the end of the second full week of classes in each semester. No change of courses may be made after this time.

Graduation Requirements

Requirements for graduation are: a completion of 64 prescribed semester credit hours for a two-year Associate Degree and 128 prescribed semester credit hours for a four-year Bachelor Degree. Students must maintain a minimum cumulative GPA of 2.0, fulfilled all required courses and have no outstanding financial obligations to PBC to graduate. Students are required to submit an online Graduation Petition form at the beginning of the semester they intend to receive their diploma to indicate their plans to graduate that semester. This form is required if the student is attending the graduation in person or not.

Withdrawal from College

Any student desiring to withdraw from the college should notify the Academic Dean and the Registrar. With the Academic Dean's approval, the student will be given a final grade of WP (withdrawal with passing), except for courses where the student has failing or incomplete work. If the student is failing then they would receive a final grade of WF (withdrawal with failing). A student who fails to notify the Academic Dean and Registrar to receive approval for withdrawal will receive an automatic final grade of WF in all classes.

The college reserves the right to request the withdrawal of students whose conduct is deemed inconsistent with the standards of the college. All such students must have the approval of the Academic Dean to re-enter school.

Final Examinations

Students are required to take final examinations as specified in the course syllabi. Final exams are given in the last week of each semester.

Repeated Courses Policy

Students may receive credit only once for a class. Students may retake classes if they received a grade of D+ or below. Both grades will show in a student's transcript but only the most recent grade will be applied to term and cumulative grade point average. There is no limit to the repeat of failed courses, unless a student has earned a passing grade (D- or above) in two attempts of a course, then a student may not repeat that course any additional times unless they appeal to the registrar's office. Once a degree or certificate has been conferred, class grades as recorded are final and not eligible to be repeated. Students receiving VA benefits need to be aware that the VA will not pay for repeats of successfully completed courses.

Online Campus Additional Policies

Lecture Watching Policy: Each student will be responsible to listen to all Lectures. The Learning Management System tracks your completion of the Lecture files. The student's grade will be lowered by 1% per each unwatched video. Students that skip more than one-third of course lectures will be automatically withdrawn from the course, even with a passing grade.

Submitting Assignments Online: All assignments must be submitted online in the electronic drop box. Only one file will be accepted for each dropbox item. All papers are required in MLA Format and appropriate usage of grammar and spelling is expected. All papers submitted in the dropbox must be in Microsoft Word or PDF file-formats. If you use Apple Pages or Open Office, you must convert your documents into a .doc or .pdf file type. For instructions on how to do this, please navigate to the Resources Icon > select Additional Resources folder > choose the file "Converting Files to Word Format."

Grading Policy: Tests taken on time will be graded within one week of their due date. Correct answers on tests are released to the student after all tests have been graded and can be viewed back under the Test Icon. Papers will also be attempted to be returned to the student in this time-frame, but may take longer depending on number of students and length of paper. Comments on papers can be found by returning to the original drop box of the assignment.

Late Assignment Policy: Assignments and Tests must be turned in by 11:59pm on the day they are due (Pacific Standard Time). For each week that an assignment or test is late, it will receive a reduced grade (from an A to a B, etc). An assignment will be considered late unless the student has prior permission for a later due date. No assignments will be accepted after the end of the semester. Students will be locked out of Tests that are not taken on-time and must contact the teacher directly in order to notify them they missed the deadline and request it be unlocked.

Academic Ethics Policy: Academic dishonesty is a serious matter and the consequences may range from a failing grade for the assignment or exam, a loss of course credit to dismissal from school. Plagiarism is claiming the work of others as your own without specific acknowledgment. PBC requires the MLA Citation Style to avoid such issues. A student should assume that the final form of required work being turned in is meant to represent their own efforts and written in their own words. Tests taken online are intended to be taken from memory without the use of books, study guides or student notes.

Technical Requirements: In order for the lectures to display correctly on your computer, please make sure that you are operating the latest version of Adobe flash player and either Internet Explorer or Firefox with JavaScript enabled. If the lectures are not working for you please download these programs free of charge by going to the Help Tab (top right of page) and click the links under the header “Requirements and Download Resources for Edvance360.” If you have technical difficulties or errors during the term, please submit a Help Desk Request and someone will respond within 24 hours.

Withdrawal Policy: Within the first two weeks of a semester a student may add or drop any course. Fees associated with courses will not be refunded, but a schedule of refunds for tuition is available on the PBC website and from the Finance Officer. Unofficial withdrawals (withdrawal without notification) will result in failing grades and full tuition costs.

Academic Credit Policy: This online course duplicates PBC on-campus education. All of the same elements are present. Successful completion of this course with a grade point of 2.0 or better will allow you to accumulate academic credits toward Associate and Bachelor degrees at PBC.

**Additional Policies and more detailed information are listed in your Course Resources Tab in the PBC Online Classroom.

Academic Integrity Policy

The use of artificial intelligence (AI) to outline or produce content for course work of any kind is considered a violation of the academic integrity policy at PBC. Even though using AI may serve as a useful tool in one’s life or vocation, PBC has determined that using AI for the completion of coursework will not be accepted. All work submitted must originate with the student and represent the sole work of that student. Even if content acquired through AI includes citations, or is cited as a source in itself, we consider such research invalid, expecting students to do the work of gathering, structuring, assimilating, and presenting material from trusted human sources. For these reasons, any such use of AI to complete coursework will not be permitted at PBC.

Student Life

PBC offers a variety of rich Christian life experiences. Dormitory life provides the opportunity to develop life-long friendships. Praying together, eating in the cafeteria, and attending small groups are just a few of the dynamics students share as part of their community experience. Student parties and ultimate frisbee are a reminder that there are times just for fun.

Prayer and worship are core values in the lives of PBC students. As a result, students often become committed to regular intercessory prayer. Student led worship is a vital part of the chapel each week. It is an impressive sight to see students from all over the world lifting their hands and hearts in adoration to God. The students look forward to chapel as the highlight of the week.

The search for sound biblical doctrine extends beyond the classroom walls and into small groups, the cafeteria, discussions, and prayer meetings often held in the student lounge. Professors make themselves accessible to students, and students are able to take advantage of the mentoring relationships that start in the classroom.

Student life includes active participation in the local church. Learned biblical principles are made applicable in real-life ministry responsibilities. This keeps the students abreast with the life of the local church, and enables them to incorporate experience with knowledge in preparation for ministry.

In a word, student life at PBC is about growth. Through academic and biblical study, friendships, mentoring relations, chapel, and dorm life, the student grows personally, socially and spiritually. By graduation, every student testifies about the enormous changes—the growth—they’ve experienced while attending PBC.

Spiritual Life

It is the expressed purpose of Portland Bible College to contribute to the spiritual lives of the students as well as their academic lives. Each class begins with prayer, and is directed toward the development of a deeper Christian walk. Each student is urged to maintain a daily devotional life and encouraged to attend student led prayer meetings.

Chapel services are often the highlight of the week. They provide opportunity for a wide variety of experiences including student participation, intense worship, outside speakers and ministry by the faculty and church leadership. Other special services are held each semester usually featuring well-known Christian leaders. These services are required for all full-time students.

All students are required to attend the services of Mannahouse. If they are from another church in the local community, they are then required to attend its regular services.

Conduct

Christian standards of conduct are expected of all students. The student’s registration is regarded as consent to abide by the rules of the college which are listed in the Student Handbook. We know every student is different. Having a common set of guidelines enables students to live in the dorms in harmony. Any violation of rules by a student may result in discipline. Matters considered to be serious will be dealt with by the Dean of Students and his decision to discipline, suspend, or dismiss will be final.

Employment

The college class schedule and fee schedule have been arranged for the benefit of students needing to work their way through school. Most students are able to find a good part-time job in the Portland area, and the city bus line runs within one block of the campus making transportation to and from work easily accessible. Full-time students carrying 12 credits or more will be permitted to work only part-time; which is defined as 20-30 hours a week. However, exceptions may be made for students with good academic records. This restriction is not to financially handicap the student, but to help them keep their academics a priority.

Living Accommodations

All full-time single students are required to live in the dormitories with the following exceptions: students coming from other churches in the Portland area and students from Mannahouse, who live with their families. Also, exceptions are sometimes granted for students who are older or have other extenuating circumstances.

Facilities

PBC occupies the majority of the 32-acre Mannahouse site. The campus includes a large gymnasium, chapel, four dormitories, an administration building, dining hall, library, music MIDI lab, Keyboard lab and practice facilities, and classroom building. Modern audiovisual equipment is used to facilitate effective and progressive teaching methods.

Campus Safety

It is our goal to provide for a pleasant and peaceful experience to all who reside here or visit our campus. Mannahouse Public Safety is at your service 24 hours a day, throughout the week, as well as on weekends and holidays. Well-trained officers can help with first aid or assist in any other emergency. Each dorm is equipped with electronic access locks that allow entry only to the residents of that dormitory. Since our campus is open to the public, it is advised to be responsible for your belongings and not to leave them unattended.

Campus Accessibility for Disabled Individuals

The majority of the buildings and facilities on the PBC campus are accessible to individuals with disabilities. Please be aware that the elevation change between some areas of our campus is 150 feet.

Parking Facilities

Parking on campus is plentiful, and is conveniently located near the dormitories and classroom buildings. We ask that you respect the speed limit and signs that are posted around campus. In order to park on campus, all full-time and part-time students need to register their vehicles with the Public Safety Department and post a permit on their back window. Visitors are not required to obtain a permit. Please refer to the Student Handbook for additional information regarding parking.

Recreation

Facilities on campus presently include the gymnasium, volleyball and basketball courts, and soccer fields. Nearby public parks also enhance the recreational possibilities. PBC sponsors a basketball team that competes at an intercollegiate level. PBC is a member of the ACCA & the NCCAA.

Student Ministries

PBC is a church-oriented college, thus all students, unless coming from another church in the Portland area, attend and participate in the ministry activities of Mannahouse. Areas of available ministry include: Evangelism, Youth Ministry, Inner-City Outreach, Missions, International Ministries, Mannahouse Christian Academy, Prison Ministries, Children's Ministry, Worship Teams, and Audio-Visual Services.

In addition to the numerous local outreach activities available to students, during the summer months teams from Mannahouse are sent for short-term service, to various locations, including, but not limited to: Northern Ireland, England, Germany, Japan, Jamaica, Puerto Rico, South America, Finland, Holland, Australia, Malaysia, New Zealand, Southeast Asia, Canada, Mexico, Romania, Brazil, Italy, Greece, Spain, and various areas in the United States.

Church Life Practicum

Mannahouse, in partnership with PBC, has initiated an intensive program to involve all freshmen and sophomores, who are not from other Portland area churches, in its weekly ministries and activities. Students will be coached in finding a meaningful place of "hands-on" involvement in the function of the church.

Ministry Apprenticeships

The Ministry Apprenticeship Program is designed to provide third and fourth-year students with a more significant coached ministry involvement, to clarify and nurture their gifting and calling while releasing ministry to the Body of Christ. Satisfactory involvement in this program is a graduate requirement.
